

## Certificate of Analysis Enzyme

**Product name:** Mashease  
**Batch number:** 00023733  
**Production date:** 18-11-2025  
**Expiry date:** 13-08-2027  
**Packaging:** Container

| Parameter          | Unit of Measure | Specification      | Result  |
|--------------------|-----------------|--------------------|---------|
| Enzyme activity    | u/g             | > 12 000           | Conform |
| Density            | g/ml            | 1,10 - 1,25        | Conform |
| pH                 | -               | 3,5 - 4,5          | Conform |
| Appearance         | -               | Clear brown liquid | Conform |
| Total viable count | CFU/g           | <= 50.000          | Conform |
| Yeast & Mould      | CFU/g           | <=1.000            | Conform |
| Total Coliforms    | CFU/g           | <=30               | Conform |
| E. Coli            | -               | Negative in 25g    | Absent  |
| Salmonella spp.    | -               | Negative in 25g    | Absent  |
